

A message from the Chairman

Dear Valued Members,

CCNCU's top priority is protecting our member's finances. During uncertain economic times, rest assured that your money is safe with us. All member accounts are federally insured by NCUA up to \$250,000 for an individual account or \$500,000 for a joint account. Credit Union members have NEVER lost a penny of insured savings at a federally insured credit union.

As a not-for-profit financial cooperative, we are continually focused on how we can benefit our member's financial well-being. We are committed to providing the exceptional service our members have come to expect. Our goal is to provide each member the best financial experience possible, whether you choose to rely on our electronic banking options or if you prefer to visit us in person. CCNCU is here to help you. We have stayed diligent on keeping loan rates as low as possible while also offering competitive dividends on all the share account types we offer. CCNCU is here to help you.

For the Board of Directors
John Machens, Chairman of the Board

CCNCU Giving Back

kind-ness noun
/ˈkɪn(d)nəs/ the quality of being friendly, generous, and considerate.
"he thanked them for their kindness and support"

Random Act of Kindness day is February 17th and this year we celebrated in a **BIG** way! The credit union purchased 50 \$10 gift cards for and handed them out at several locations! People helping People is at the heart of the credit union philosophy and is just one of the many ways of how we are different from "big banks".

JJ GEICK IS

Retiring

We want to congratulate JJ on her upcoming retirement! JJ began her career with Members Choice Credit Union in August of 2000 and in that time she has become a real ambassador for the CU and it's members. Always with a smile on her face and a hand to help, she will be tremendously missed. JJ is looking forward to spending time with her husband Greg and their two fur babies. We hope you join us in wishing JJ well in her next chapter!
